REPORT OF TROY WATER AND SEWER DEPARTMENT

1984 was a productive year for the Water/Sewer Department.

The daily responsibilities associated with operating and maintaining the Water/Sewer Department expended the majority of our time and efforts.

We are pleased to report that 99% of all potential customers have been hooked into the sewer system.

The ongoing program of water meter replacement was continued. 50 new meters were installed.

With the aide of the staff and computer facilities at the Southwest Regional Planning office, the Water/Sewer billing system was computerized. This new billing service will make customer billing more efficient and provide additional data to the department.

The Commissioners wish to remind the public that the Commissioners and the Superintendent meet on the first Thursday of each month (and at other times as demanded) at 8:00 P.M. at the Wastewater Treatment Plant on Dort Street.

In compliance with New Hampshire statute, all meetings are open to the public.

Respectfully submitted,
Water/Sewer Commissioners

REPORT OF THE GAY-KIMBALL PUBLIC LIBRARY

The year was a busy one at the Gay-Kimball Library. On September 9, the public was invited to see the results of the many hours of work and planning that went into the refurbishing of the Howe-Haskell Children's Room on the part of the trustees and volunteers. Refreshments were served, helium-filled balloons and awards for the "Go-for-the-Gold" summer reading program were given, and a book sale added to the festivities. Selectman Bill Matson brought us books discarded by the Fort Devens Library to stock the sale; the proceeds went to purchase new children's books.

Several other programs and events enlivened the library calendar: an exhibit of photographs by Lynn Smith decorated the Ripley Room; Kathy Marrotte held chair-caning classes; Mr. Harry Kenney of the Homestead Bookshop spoke to the members of the Nubanusit Library Co-operative when they were guests of our library in February; children from the Troy Co-operative Pre-school, the Troy Christian School and the Troy Elementary School visited the library for a learning and story hour; Ervin Doyle, assisted by his family, demonstrated a microcomputer to the great enjoyment of some children and their parents; and Doralee Watkins, who decorated our outdoor bulletin each month, also gave a demonstration of her lively quilts.

The Nubanusit Library Co-operative, which represents more than twenty libraries in this area, has been in the process of setting up a book depository in the James A. Tuttle Library of Antrim. The plan is to have a copy of many outdated, but still occasionally requested books available to patrons, without each library having to give precious shelf space to seldom used books. The books donated will remain the property of the donating library. There will be a list of books available, and Antrim, as host library, will undertake the mailing responsibility for a nominal fee. This should be a welcome service to libraries and patrons in this area.

Janet Stover resigned as aide in July to take another position, and Marion Sargent, who has worked as a volunteer in the elementary school library for several years, is now the aide.

The library plans to remain open two more hours each week to comply with state standards. The amended hours will be:

Tuesday	3-7:30 P.M.
Wednesday	3-7:30 P.M.
Thursday	1:30-7:30 P.M.
Saturday	11:00 A.M.-4:00 P.M.

Respectfully submitted,
Shirley Lang, Librarian

SELECTMEN'S REPORT

This year has been a quiet year in the Town of Troy with the exceptions of the Town Hall and Town Shed fires. The results of the fires are that the downstairs of the Town Hall and Police Department were painted and fire damage to the downstairs floor repaired. We lost two trucks to fires. The dump truck that was to be traded was destroyed and has been replaced with a new one. The other dump truck has been replaced with a good used truck which now has the sander on it. It appears to be in excellent condition and should last a few years.

We plan to take the remaining part of the town barn down in the spring, clean up the area in the rear of the town hall and make room for parking. We are presently looking for a different place or area to use as a town barn.

The Town Clerk's hours of operation will be expanded this year. Also we intend to arrange it so that you can "register" your vehicle with the Town Clerk. This means that you will be able to get the stickers that go on your plates from the Town Clerk and not have to go to Keene, not new plates, they will still have to be picked up from the Motor Vehicle Department.

The Selectmen want to thank every one for the lack of problems, vandalism and noise in town this past year and special thanks to Police Chief Elmer Gladding and all his officers for the good relations with the residents and for the job they are doing well. We know it is appreciated by everyone.

It was good to see Ida Wilson and all her helpers and workers revive the Troy Theater. We and many others really appreciate the time, efforts and excellent play that was just performed. Keep up the good work.

At the same time, a big thanks to John Callahan Sr. on the past Art's Festival. Again many people put in many hours and the remarks from most people was that it was the best one yet.

Troy is a good small town and we seem to improve a little more each year. To do this, people are needed to become involved in the different organizations, committees and functions in the town. We are very fortunate to have T.E.A.S.I, the ambulance squad in Troy and Fitzwilliam, Also to have an excellent Fire Department. It has been noticed in the past year that during the day time, most people in these tow organizations are working out of town. We feel sure that there are some people in town that probably would like to become a member of one of these organizations, to assist in some way. If so, please contact a member. We are sure they will be glad to

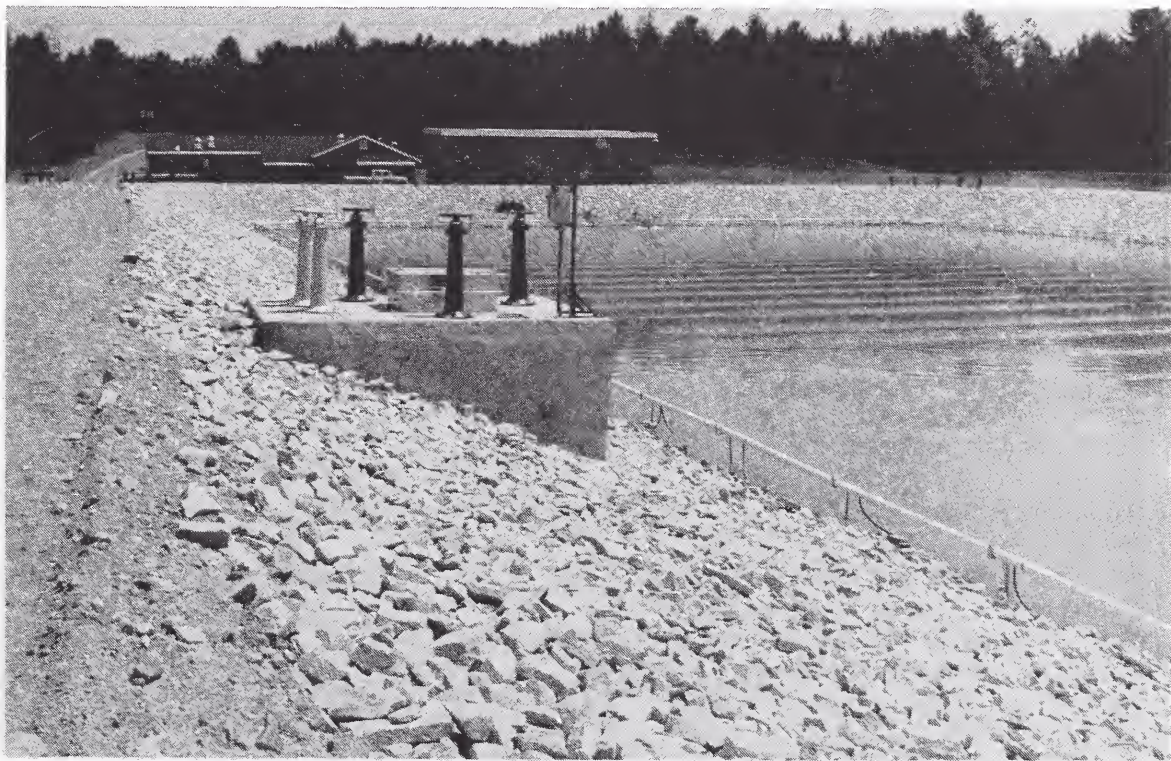

hear from you. It's volunteers that keep these fine organizations going.

One event in the spring that we look forward to, is the flowers that the Senior Citizens plant around the Town Hall and Common and we hope that this year they will again. It sure helps to make our town more attractive.

For the young of all ages, we bring to your attention that there is baseball and softball of all kinds for both girls and boys starting soon. Also the Police Department is now sponsoring a Police Explorer Post for girls and boys 14 years and up, Troy Mills sponsors a Boy Scout Troop and the Fire Department a Cub Scout Pack. The town provides a summer program at the Sand Dam. All these are great and all do need adults to help them be successful. Get involved and you will find that you can have as much fun as the kids.

Last, we sincerely want to thank all the people who have assisted in the operations of the Town and Town events this past year. We will need your help again and hope that more will become involved.

The Cemetery Committee requested an increase for 1984 in funds from the Cemetery Trust Funds to make much-needed repairs in the cemeteries on grave lots, stone marker, fences and stone walls. These repairs are necessary to maintain and improve the appearance of the cemeteries.

REPORT OF THE TOWN ROAD AGENT

1984 was very expensive in the beginning of the year because of the unusually large amount of snow and many storms. Many hours of plowing were put in as well as tons of salt and sand.

With the Highway Block Grant we did finish, for the most part, repairing and repaving West Hill Road with a pug mix. We also removed stones, put in new culverts and repaired ditches. There is more to do this year. We had a wash out on South Street for a major repair along with other wash outs.

Two streets that were newly paved when the sewer was put in were sealed. Work was also accomplished on Gap Mountain Road.

This year more work will be done to repair and repave additional roads with Highway Block Grant money and highway funds. School Street will have work done on it this spring where water does not drain. Each year as the money lasts, plans are to improve portions of roads so that they will all be up graded eventually.

I would like to thank Carl Cummings who did an excellent job to help accomplish the above tasks.

Harlan R. Mitchell
Road Agent

POLICE DEPARTMENT

On July 1, 1984, I was appointed Chief of the Troy Police Dept. after an absence of approximately 1½ years. I would, at this time, like to extend my sincere thanks to all police personnel who have made it possible for a very smooth transition of Police Dept. management.

Many changes have been made to assure all residents of Troy with the utmost in police protection.

24 hour protection has been re-established.

Property checks have been re-established.

Mandatory police training is in the planning state.

I would like to also thank the Selectmen, officers and members of the other departments and the residents of the Town of Troy for their support over the past months.

FIRE DEPARTMENT REPORT FOR 1984

The members and officers of the Troy Fire Department would like to thank all the citizens of Troy for their help in keeping fires to a minimum.

Our Fire Prevention Program at the school is still going strong. Last May and September we put 10 more fire fighters through Fire School at Meadowood.

The members of the Fire Department have done some more volunteer work at the station.

The fire alarm system that was voted at Town Meeting to change has been made. 1984 saw only 4 major fires in Troy.

If any citizen of Troy would loke to ask any questions about fire protection devices for the home, feel free to come to the station on Sunday mornings and we will be glad to talk to you about the laws and ordinances in Troy.

Thank you.

CIVIL DEFENSE REPORT

For the past few years the Civil Defense Appropriation has been used mostly to purchase excess property as it becomes available from the State Civil Defense and the Department of Education, excess property department. Most of these purchases have resulted in large savings to the Town of Troy for the equipment and materials acquired from these departments.

In the past year the Federal Government and State are focusing more effort toward Civil Defense and local Civil Defense organizations.

The Troy Civil Defense director and Deputy Director, in agreement with the Fire Wards and Police Chief and Selectmen, Town of Troy, has designated the Fire Department building as an emergency operation center.

What this means is that any type of emergency or disaster in this area where Civil Defense will be involved, the direction of assistance, and person in charge will be at the Fire Station.

By doing this we are told that purchases of equipment that are involved in emergency assistance type of work, if purchased through the Civil Defense budget can in most cases be funded by 50% Federal dollar. We are talking about radio equipment, scanners, monitors, etc. Also included would be any equipment needed to maintain an Emergency Operations Center.

We feel that if there is a chance to save a few dollars where purchasing this type of equipment is needed it is worth a try.

When you see the increase in the civil defense request in the Warrant, it included monitors for the fire department and is there for the above stated reasons.

Respectfully

William R. Matson
C.D. Director
Clifton Coles
Deputy Director

WELFARE DEPARTMENT

Welfare payments to qualified recipients have decreased by approximately \$5,000 from last year, mainly due to the upswing in the economy.

The area in which we foresee an increase in expenditures for 1985 will be health care, nursing home care for the elderly and child placement.

This department will continue to screen and investigate each applicant requesting aid.

The work program will continue as in the past.

HEALTH OFFICER CHILD DAY CARE OR NURSERY CARE

The law pertaining to child care has been changed. Anyone providing day care or nursery care for three or more children who are not related to the provider must be licensed by the State.

Anyone not complying with this statute will be prosecuted by the Attorney General.

The license is free. The inspection is free. Contact the Health Officer in the evening to make an appointment for the initial inspection required to receive your license to operate.

James F. Sears
Health Officer

DOG OFFICER'S REPORT

The present Dog Officers are Charles Adams Sr. and his deputy, Daniel Breen.

We remind you that when dogs are picked up and brought to the humane Society, that the owner is responsible for the pound fee and cost involved in the officer taking them to the society.

You will find Article 4 on the Town Warrent, to be voted on by ballot on March 12th when you vote for town officers. This Article adopts a State Statute R.SA466:30 that allows the dog officer to take better action on dog complaints that are valid; when there is a danger to other animals, and to children and people. This doesn't happen too often but occasionally the dog officer needs the authority to pick up a suspected or dangerous dog.

If you have any questions on this Article, please ask the Dog Officer or inquire at the Police Department.

A reminder, all dogs have to be licenses on a yearly basis. After June 1st, if not licensed, they can be picked up.

Dog licenses are purchased at the Town Clerk's office.

The services provided in your community this past year were supported to the greatest extent possible by Medicare, Medicaid, other insurances, state and federal grants and service fees.

The following visits were provided in your community at no charge or on a part fee basis to your residents. The cost of these visits was covered by your town appropriation, contributions, county funds and trust funds. The average contribution toward a visit averages less than 10% of the total cost.

Nursing, Nutritionist, MSW Services	115 Visits
Home Health Aide	5 Visits
Homemaker	220 Hours
Child Health	70 Visits

In addition, the following service was provided at no cost to Troy residents and was supported in part by your town appropriation.

Meals-On-Wheels	5,394 Meals
-----------------	-------------

The total cost of free services in your town this past year was:

\$16,811.00

Funding applied toward these free services was:

Town Funds (Including Meals-On-Wheels)	\$7,750.00
County Funds	2,444.44

Additional funding from your community supports uncovered expenses incurred in relation to child health services, clinic activities and the care of the terminally ill program. In addition, these funds insure the continuing availability of staff to provide services as they are required in your community.

Our appropriation request for 1985 is \$7,150.00 for clinical services (or the fee for service agreement as described in our letter) and \$1,925.00 for our Meals-On-Wheels Program.

MONADNOCK FAMILY & MENTAL HEALTH REPORT

Monadnock Family & Mental Health Service was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full-time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Monadnock Family & Mental Health Service from a staff of 12, providing only Outpatient services, has grown to a current staff of 68, providing the following services:

- Outpatient Services for Adults
- Emergency Services
- Adolescent and Children's Treatment
- Elderly Services and RSVP
- Consultation and Education
- Transitional Living
- Continued Care
- Inpatient
- Partial Hospitalization
- Project Challenge (Therapeutic Outdoor Adventure Program for Adolescents)
- Psychological Testing

SOUTHWEST SOLID WASTE MANAGEMENT DISTRICT

At the Southwest Solid Waste Management District Meeting of January 15, 1985, the operating budget for FY 1985-86 was adopted which will fund the continuing activities of the District commencing on July 1, 1985.

The total budget is \$31,623.00 which is broken down as follows:

Operations and Staff Support	\$13,000
Contracted and Technical Services	12,000
Legal Services	2,000
Contingency	+ 4,000
 TOTAL BUDGET	 \$31,623

In order to raise these funds, an assessment equal to 50 cents per capita will be apportioned to each member community. The assessment to the town of Troy, will amount to \$1,097.00, based on the latest population figures distributed by the New Hampshire Office of State Planning.

It has been determined by the New Hampshire Bureau of Solid Waste Management that the operations of the Southwest Solid Waste Management District are carrying out the responsibilities mandated by the State of New Hampshire and, therefore, this assessment should be included in the operating budget of the towns (as part of the Selectmen's Budget, Public Works Budget, Waste Disposal Budget or other appropriate budget item).

These funds will be needed regardless of whether the District remains a "149-M" or some towns decide to form a "53-B" District. Separate accounts will be kept so that funds may be transferred when and if necessary. If you have questions on this budget, I suggest you contact your District Representative or feel free to call me at 876-4503.

We apologize for the delay in getting this information to you, but the District has been carrying an extremely heavy work load in bringing a solution to the area's solid waste disposal needs to fruition.

Best wishes,

John E. Lecraw
Chairman

SUMMARY OF PLANNING BOARD HEARING CONCERNING NEW ZONING ORDINANCES

The Troy Planning Board held a sparsely attended public hearing Wednesday (January 16, 1985) night to discuss proposed amendments to current zoning regulations.

Many of the changes are simply to update wording and correct format. One major proposal renames and redefines the general district as a rural district.

Currently, the general district is any area outside the village district and is virtually unrestricted in use. In an effort to protect the character of the town and existing areas, the rural district has been proposed, including guidelines dealing with types of businesses and dwellings that would be allowed.

The restrictions reflect the guidelines outlined in the master plan and, according to Planning Board Chairman Ronald Jacques, are designed to assure that "growth doesn't adversely affect existing neighborhoods. (It's) to protect people already in an area and set up guidelines so they don't have to worry about it (changing character)."

Another change in the regulations is the addition of an amendment to establish a certificate of occupancy permit. According to Jacques, the certificate is to insure that what is proposed is actually accomplished. It would prevent someone from moving into a new or renovated building until the land or building complies with all pertinent regulations.

Generally, discussion of the amendments was favorable. Asked by Herman K. Scherioth whether they had considered reducing the required lot size in the village, now that town water and sewer are available, the planning board decided to take the question under advisement. They will look into the matter, gather information from the townspeople and come up with a recommendation sometime in 1985.

TROY PLANNING BOARD

The Planning Board continues to meet on the first and third Wednesday of each month at 7:30 p.m. in the Town Hall. Any interested residents are encouraged and welcome to attend the meetings.

The past year's efforts have been directed towards the revision and update of our present zoning ordinance. Also, the Planning Board will ask for authority to adopt site plan regulations for the purpose of protecting the public health, safety, and welfare and to promote balanced growth within the districts.

The Industrial District and its regulations that were approved at the March 1984 Town Meeting have not yielded the anticipated results that the Town had hoped for. However, some interest has surfaced recently and perhaps 1985 will be the year for development of that district.

A total of four (4) subdivisions and one (1) boundary line adjustment were approved during the year. This enabled the Planning Board to return \$160.00 to the Town Treasury.

As in the past, your Board has made extensive use of our membership in the Southwest Regional Planning Commission and has utilized its resources. Their input is a tremendous asset to the Town's future development.

I wish to express my sincere appreciation to the members of the Board who so faithfully have given of their time and energies.

Respectfully submitted,

Ronald L. Jacques
Chairman

CONSERVATION COMMISSION REPORT

The Conservation Commission has changed its meeting date to the last Thursday of every other month beginning November 1984; time 7:30 PM; place, Town Hall.

At its November Meeting the committee reviewed each parcel of land owned by the town, not being used for town purposes at this time, and sent its recommendations to the Selectmen for consideration. These were: to restore the house-lot sized lots off Bigelow Hill Rd. to the tax rolls; use the extra land adjacent to the Soft Ball Field for recreation; develop the parcels of land just off Rte. 12 at the north end of town as a rest area for travelers; and also consider the same use for the 14 acres along Rte 12 off Fitzwilliam Rd. (for industrial use at a later date.) All other parcels to be left "as is."

During 1985 the commission will undertake two projects in addition to its continuing interest in urging the development of a park site along the stream flowing through the town and its work with the Bureau of Solid Waste Management in monitoring any possible ground water pollution. The projects will be; one, to prepare a report of local wildlife resources; and, two, to research the extent and location of the Metacomet Trail within the environs of Troy.

TROY SENIOR CITIZENS - 1984

Our organization began officially April 1978, our membership has more than doubled, and our activities have increased in scope since then. The people of Troy can well be proud of their older citizens, especially our contribution to the welfare of the town. Each year we give to TEASI and this past year we donated a resuscitator for the police cruiser, aside from remembering our elderly shut-ins.

We owe grateful appreciation to the Selectmen's interest in our affairs, to Elmer Gladding for his personal contribution to our Annual Bazaar, to Maurice and Ina Clark for the work done on the flower gardens around the common.

At the close of my fourth year as President of our organization, I take this opportunity to thank all of the members who have willingly accepted nominations to serve as officers and worked on committees, and I welcome the new officers for 1985.

President - Isabel Venn
Vice President - Vera Oman
Secretary - Beatrice Merrifield
Treasurer - John Verberg

Minnie Mattson - Past President

T.E.A.S.I.

TO OUR FRIENDS:

Another year has passed and thanks to you, our loyal friends, TEASI is still going strong. Our new ambulance has been in service for thirteen months, and now has all the mechanical wrinkles ironed out.

April will mark ten years of volunteer service that our ambulance corporation has given to the town. By volunteer, we mean devotion, time, a service free-of-charge, patience, and a network of corporation and respect in working together with you, town officials and ourselves. Every committee, corporation and department has obstacles to overcome, and thanks to your past support and our devoted volunteer members we have succeeded in reaching all of our goals and solved all problems.

This year's big project is to acquire new active members. We now have the new ambulance, up-to-date equipment, and present members education is current. Years ago, when we needed an ambulance, it used to respond from out of town, on old roads, and the wait could be up to 45 minutes or longer. Now, it takes the ambulance less than one third of that time even though it is manned by volunteers who must respond to the ambulance or to the scene. When we are in need of help, minutes seem like hours, but in actual time, you are in the hospital in less time than it used to take to get an ambulance on the scene. In several weeks, we will have eight new members to TEASI, and four re-certifications. We are planning a day-time class for people who work nights and would like to become active members.

We still need you, your support, your thanks or just a smile, to keep us going. We also would like you to join us, there is always room for more and all you need is a strong dedication to help others.

We have had a very busy year. Mother nature has kept us on our toes with all types of emergency calls, and our education to keep current in the latest methods of emergency care has been time consuming. We do want to express our sincere thanks to those of you who donate financially, as this has relieved us of time consuming fund raising projects. It is a great feeling to know that you support us financially, and relieve us of the worry of where our next dollar will be coming from.

To sum up our year in a few words.....TEASI is still here and working for you. And furthermore, we plan to stay. Please remember, if you need us, call 352-1100, give an accurate name, address,

nature of call, leave a light on, open a door, or meet us out front
.....all this helps us to continue to help you.

Thanking you in advance for your continued support both morally
and financially, I remain,

Respectfully,

Ray Woods
President
TEASI

INDUSTRIAL DEVELOPMENT COMMITTEE

The Industrial Development Committee has been reorganized. The following citizens have agreed to serve: H. Schierioth, C. Patten, E. Lang, J. Callahan, Sr., R. Hall, W. Kennison, R. Grover, P. Theroux, K. Steinbeck, F. Singleton, J. Nash and I. Olsen.

The Committee's primary purpose will be to encourage the development and location of industrial and commercial enterprises in Troy. In pursuit of this goal the Committee proposes to prepare a brochure explaining the advantages of locating such enterprises in Troy. The preparation of this brochure will require professional assistance. This is the primary reason for our request for funds which we hope will be supported by the town's people.

REPORT OF THE WAR MEMORIAL MONUMENT COMMITTEE

The War Memorial Monument Committee was created at Town Meeting 1984 to make recommendations to the Town as to a suitable monument, to be erected on the Common; to recognize those Veterans from Troy who served their country during World War II, the Korean Conflict and the Vietnam Conflict. The Committee has met many times and after much consideration recommends the erection of a granite monument to be placed on the northern end of the Common. The monument will be engraved with the names of those veterans who served from Troy during World War II, Korea, and Vietnam. A drawing of the proposed monument will be available for inspection at the Town Hall - March 13. The Committee feels that the proposed monument is tasteful and reflective of the Town's appreciation of her Veterans. The Committee has worked with the Keene Monument Company and recommends acceptance of their proposal of \$14,425 for the design, Construction, and erection of the monument. Mr. James Hodge of Keene Monument Co. has been very helpful to the Committee in advising the group as to the procedures used by other communities who have erected similar monuments.

Assuming the meeting passes the appropriation for the erection of the monument the schedule for completion would be as follows:

March 1985 - Selectmen sign contract.

March 1985 - July 1985 - Completion of lists of eligible Veterans for inclusion on the monument, by the Committee.

July 1985 - October 1985 - Final approval by Committee and construction of monument.

October 1985 - Erection on Common of Monument.

November 11, 1985 - Veterans Day - Dedication of Monument.

The Committee has enjoyed serving the Town and feels the Town should support its recommendations by passing the Article on the Warrant.

CABLE TELEVISION SERVICE

In July of 1984 your Selectmen and Chesterfield Cablevision Inc signed a franchise that will make cable television service available to the residences of Troy. We are pleased to have been chosen to provide this service.

We are also pleased to report that the project is progressing very well in spite of some early delays in the initial stages of construction. Because of the various delays encountered in dealing with the assorted utilities and others involved, we were much slower to start actual construction than intended. At this time much of the work at the antenna site has been completed and the actual running of the cable lines is now beginning.

As soon as any street or area is wired and turned on we will be leaving flyers explaining the cable service and instructions describing how to arrange for service at each home.

MINUTES OF TOWN MEETING - TROY, N.H. - MARCH 13, 1984

The polls were opened at 10:00 AM by Moderator Peter Howe at the Troy Town Hall. The polls remained open until 7:00 PM.

The meeting to take up the warrant was opened by Moderator Peter Howe at the Troy School Auditorium on School Street at 7:30 PM on March 14, 1984. The salute to the flag was led by the Troy Boy Scout Troop # 309 and the benediction was given by Father Gerard V. Dauphinais of the Immaculate Conception Church.

A note of recognition to Victor Magnani was made and Moderator Howe asked Vic to stand up and we gave him a round of applause for all his years of service to the Town of Troy.

Moderator Howe also dedicated the Town Meeting and Report to George Ripley with a moment of silence in his memory.

PROPOSED ZONING REGULATIONS
INDUSTRIAL ZONE
Troy, N.H.

INDUSTRIAL DISTRICT

An Industrial District is located close to the developed core of the Town, with access to its major highways, to create an area where a limited amount of industrial activity can be accommodated to provide a complete balance of development potential for the community. Permitted uses in the Industrial District are as follows:

1. Any industrial use or process which is not obnoxious or offensive or deleterious to health by reason of gas, odor, smoke, vibration, liquid discharge, illumination, noise or appearance, and which does not constitute a public hazard whether by fire, explosion, or otherwise.
2. Plants for the processing and distribution of milk, dairy, and food products for human consumption, and for bottling or packaging beverages, pharmaceuticals, and toilet preparations, perfumes, and similar products. No operation involving the rendering of fats, oils, viscera, or which does not meet the standards of paragraph #1 is permitted.
3. Research and experimental laboratories, excluding live animal experimentation.
4. Publishing, printing, bookbinding, or informational services.

ARTICLE 6: To see if the Town will vote to raise and appropriate \$10,000.00 for the care of the cemeteries. \$9,000.00 to come from the Trust Funds as recommended by the Budget Committee. Passed as read

ARTICLE 7: To see if the Town will authorize the Selectmen to expend the Highway Block Grant of \$24,016.55 that the Town received from the State for the calendar year 1984 for maintenance, construction and reconstruction of Class IV and Class V highways. Passed as read.

ARTICLE 8: To see if the Town will vote to raise \$95,000.00 for the Water/Sewer Department as recommended by the Budget Committee. Passed as read.

ARTICLE 9: To see if the Town will vote to raise and appropriate \$12,000.00 for the Gay-Kimball Library as recommended by the Budget Committee. Passed as read.

ARTICLE 10: To see if the Town will vote a sum of money (\$139,994.48) for the payment of Sewer Bonds. Income from the State of NH will be \$119,994.48. Recommended by the Budget Committee. Passed as read.

ARTICLE 11: To see if the Town will raise and appropriate the sum of \$800.00 for Forest Fire Supervision as recommended by the Budget Committee. Passed as read.

ARTICLE 12: To see if the Town will vote to authorize the Fire Department to remove the present fire alarm system, leaving two "pull" fire alarm boxes in service boxes in service. One to remain on the outside of the Town Hall and the other outside the Fire Station. Passed as read.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to recondition and repair the fire alarm system with this reconditioning and repairs to be done in 1984. The telephone Company is replacing all the poles that the alarm wiring and pull boxes are on. Not recommended by the Budget Committee.

George Dubina asked why we voted to remove the alarm system in Article 12 than turned around and asked for \$3,500.00 to recondition the system. John Callahan Jr. stated that Article 13 was put into the warrant to be voted on just in case the system was not voted to be removed. He recommended a no vote. Article 13 defeated.

ARTICLE 14: To see if the Town will vote to raise and appropriate and authorize the withdrawal of this sum for this purpose from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 as amended for the Capital Reserve Funds for the following specific purposes and in the amounts indicated herewith or take any other action thereof:

a. Reassessment of Town - (1986)	\$1,500.00
b. Fire Department	5,000.00
c. Highway Department	5,000.00
d. Police Department	2,000.00

Passed as read

ARTICLE 15: To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 for use as appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon; as recommended by the Budget Committee.

a. Gay-Kimball Library - Operations	\$1,000.00
b. Senior Citizens - Elderly Activities	1,000.00
c. Town Hall - General Repairs	2,000.00

Passed as read

ARTICLE 16: To see if the town will vote to authorize the Selectmen to withdraw up to \$20,000.00 from the Capital Reserve Fund of the Highway Department for the purchase of a new 1 ton Dump Truck with plow. This is to replace the present 1977 1 ton truck. The proceeds resulting from the sale of the 1977 truck to go into the Highway Department Capital Reserve Fund. Not recommended by the Budget Committee. Recommended by the Selectmen. Selectman Matson stated

that after the budget committee had met in January the above mentioned truck had to have some major work done on it. This was due to a broken frame. Repairs were made, but because of the heavy use of the truck, the Selectmen felt that it should be replaced before something more dangerous occurred. Passed as read.

ARTICLE 17: To see if the Town will vote to authorize the Selectmen to withdraw \$10,000.00 from the Capital Reserve Fund of the Highway Department so that they may negotiate for the purchase of a used diesel powered loader. The present loader to be either traded or sold. If sold the proceeds to go into the Capital Reserve Fund of the Highway Department. The balance to be paid by a short term note over the next two years. \$30,000 recommended by the Budget Committee.

James MacPherson made a motion that the article be amended to read "new or used" loader. Bill Matson then suggested that Capital Reserve Fund figure be changed to \$15,000.00 and total expenditure not to exceed \$40,000.00. Therefore article was amended to read:

To see if the Town will vote to authorize the Selectmen to withdraw \$15,000.00 from the Capital Reserve Fund of the Highway Department so that they may negotiate for the purchase of a new or used diesel powered loader. The present loader to be either traded or sold. If sold the proceeds to go into the Capital Reserve Fund of the Highway Department. The balance to be paid by a short term note over the next two years. Total expenditure not to exceed \$40,000.00 Passed as amended.

ARTICLE 18: To see if the Town will vote to allow the Selectmen to withdraw up to \$6,000.00 from the Police Department Capital Reserve Fund to purchase a used vehicle to be used as a Police Cruiser, when in the opinion of the Selectmen, the present cruiser is no longer economical to maintain. Also to allow the proceeds from the sale of the present cruiser to be placed in the Police Department Capital reserve Fund. The transfer of equipment from the present cruiser to the newer one will be included in the \$6,000.00 Recommended by the Budget Committee. Passed as read.

ARTICLE 19: To see if the Town will vote to authorize the Selectmen to withdraw up to \$20,000.00 from the Fire Department Capital Reserve Fund for the purchase of a 1 ton cab & chassie and equipment needed to replace the 1956 Dodge Fire Truck. The proceeds of the sale of the 1956 Dodge Fire Truck to go into the Fire Department Capital Reserve Fund. Recommended by the Budget Committee Passed as read.

ARTICLE 20: To see if the Town will vote to authorize the Board of Water Commissioners to establish a Capital Reserve Fund as provided in RSA 35:1 (supp) and RSA 149:10(supp) said Capital Reserve Fund to

be used for the financing of specific capital improvement pertaining to the sewer system of the town, or the acquisition of a specific item of equipment pertaining to the sewer system of the town, or (b) the construction, reconstruction or acquisition of a type of capital improvement or the acquisition of a type of equipment pertaining to the the sewer system of the town, expenditures from said fund shall be made only by a majority vote of the legal voters present and voting at an annual meeting of the town under a proper article in the warrant. Passed as read.

ARTICLE 21: To see if the Town will vote to authorize the Board of Water/Sewer Commissioners to transfer any unencumbered surplus funds from the operation of the Sewer System to the Capital Reserve Fund created under Article 20 of the 1984 Annual Meeting of the Town of Troy to provide for capital improvements and capital equipment pertaining to the sewer system or the sewage treatment facilities. Passed as read.

ARTICLE 22: To see if the Town will vote to change the position of Police Chief from a Part Time Position to a Full Time Position. (by petition)
Moderator Howe recommended that this article be voted on by secret ballot. The first results were more ballots than names on the checklist, therefore a second ballot was required. Defeated 79 yes 85 no.

ARTICLE 23: To see if the Town will vote to reduce the number of Street Lights by twenty four (24). (by petition)
Theodore Johansson wanted to know where the 24 lights to be removed were coming from. Paul Theroux who entered the petition stated that there had been no survey made to date Mr. Johansson suggested that a committee of 3 to be appointed by Selectmen be added to the article. This was defeated. The motion was made to move the article, this was also defeated. The suggestion was made that more detective work be put into this matter and after deciding which lights should come out, put an article into the warrant in 1985. When at last a vote was taken, the article was defeated.

ARTICLE 24: To see if the Town will vote that a Selectperson shall not serve the Town of Troy in any paying capacity but that of Selectperson, and at the current rate of pay for Selectpersons. (by petition)
Peter Breen made comment that there are very few people in town who have the knowledge or time to devote to all the work of an Administrative Assistant, and also that the Town could not afford to pay a Town Manager who would be responsible for such duties. Defeated.

ARTICLE 25: To see if the Town will vote to change the manner in which the police chief is selected from appointed by the Selectmen to elected by the town meeting annually. (by petition) passed over

ARTICLE 26: If the town votes affirmatively on Article 26 (above) then to see if the town will vote to elect a police chief until the next annual meeting. (by petition) Passed over.

ARTICLE 27: To see if the Town will vote to authorize the Board of Selectmen to grant cable television franchise in accordance with RSA 53-C: 1-5. Passed as read.

ARTICLE 28: To see if the Town will vote to establish a committee of 6 to study and come up with a recommendation for a Memorial, Memorials, or a plaque for recognition of the Town of Troy Veterans of World War II, the Korean War and the Viet Nam Conflict to be placed on the Troy Common. At present there is one for World War I. The Committee to consist of the Commander of Edward Boufford Post #56, one Troy Member of VFW Post and the remaining four to be appointed by the Town Moderator. If passed a report or an article will be brought forward at the 1985 Town Meeting. Passed as read.

ARTICLE 29: To see if the Town will vote for the adoption of RSA 654:34-a as follows: "Shall we adopt the provisions of RSA 654:34a permitting applications for changes in party affiliation to be made with the Town Clerk?" This was included on a special ballot during the voting on March 13, 1984. Results were 255 yes and 63 no.

ARTICLE 30: To see if the Town will vote to allow the Selectmen to authorize the Water/Sewer Board to hire a forester to selectively cut timber on the Watershed of the Town reservoir, and to allow the proceeds from the sale of the timber to be placed in the Water Department Capital Reserve Fund. Passed as read.

ARTICLE 31: To see if the Town of Troy shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the Citizens, businesses, schools and agencies in the Town of Troy, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire." (by petition) Vote taken by hand vote 54 yes 29 no Passed as read.

ARTICLE 32: To see if the Town will authorize the Selectmen to dispose of a certain tract of land identified as Map 12, Lot 41A on the tax maps and listed as "Town of Troy" in such manner as determined by the Selectmen as Justice may require. George Foskett made a motion to include Map 11 Lot 2, which is the property the Town owns from the end of Dort to the gate to the Sewer Plant. Therefore Article 32 was amended to read: To see if the Town will authorize the Selectmen to dispose of two certain tracts of land identified as Map 12, Lot 41A and Map 11, Lot 2 on the tax maps and

listed as "Town of Troy" in such manner as determined by the Selectmen as justice may require. Passed as amended.

ARTICLE 33: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:05-b.

ARTICLE 34: To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon.

ARTICLE 35: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require.

ARTICLE 36: To hear reports or committees, agents or officers heretofore chosen and take any action relative. All of the above articles 33-66 passed as read.

As there were no reports to be heard, the meeting was adjourned at 11:00 PM.

NEW HAMPSHIRE GENERAL COURT
INFORMATION TO
CITIZENS TOWN OF TROY

The General Court of New Hampshire and Senate are now in session. By our vote they will be in Annual Session as of this year.

For everyone's information and convenience, there is now in the Selectmen's Office at the Town Hall the following as I receive them:

1. Index to all House and Senate Bills being proposed
2. Copies of all Senate Bills
3. Copies of all House Bills
4. Copies of all House Resolutions and Joint Resolutions.
5. Copies of all Constitutional Amendments
6. Copies of all House Records
7. Copies of all Senate Journals

These are here and available for anyone who cares to look at them, read them and give me input as to what they feel about the bills. There are a lot of proposed bills, that could result in changes to the State Laws, and new laws, and effect different people, organizations, towns and cities in many ways.

The Town Clerk can make them available during her regular office hours.

If you have any information pertaining to proposed legislation, for or against, please leave me a note or get in touch with me.

Many of the bills as you look at them, are a waste of time and have no future but there are some that can have a future impact on you and me and the town.

Please contact me if you have any advice.

Respectfully,

Bill Matson
Deputy Minority Leader
N.H. House of Representatives
